Research on peer review, editorial processes, and ethics; letters to the editor; and other items of special interest to the journal’s readers are encouraged.

- Please submit manuscripts as e-mail attachments.
- All submissions should include the phone and fax numbers and e-mail address of the corresponding author.
- All material should be in the style recommended by Scientific Style and Format, with references in the citation-sequence format.
- All material is subject to copyediting.

Send material and editorial inquiries to Teresa M Melcher, Science Editor, 212 Seneca Way, Spring Grove PA 17362; phone and fax: 866-765-8729; editor @selfpublishingpress.com.

### Short course for medical journal editors

**Oxford, UK: 2-4 November, 2011**

Now in its 15th year, this course has trained several hundred editors and helped to make their journals more successful. The course includes how to attract and keep good authors; how to manage peer review and provide better services for readers; and strategies for managing the relationship with owners, publishers, and other members of the editorial team.

The course is ideally suited for newly appointed Editors-in-Chief, Editorial Board members and managing editors.
