What is the process?

- Issue line-up completed
- 2-3 original articles sent to Patient Voice Editor w/ due date for editorial
- Patient Voice Editor identifies editorialist and sends contact info to Managing Editor
- Managing Editor issues formal invitation through peer-review system
- Editorial Submitted
- Article and Patient Voice appear online (open access)

Kevin Fowler speaks about patient engagement in scholarly publishing

By ASN Staff

Kidney News Online reached out to Kevin Fowler to speak about his upcoming talk on how CJASN has incorporated Patient Voice into a monthly feature in the journal at the 2019 Council of Science Editors Annual Meeting on the topic of "Patient Engagement in Scholarly Publishing" on May 6th in Columbus, OH. Mr. Fowler is a Patient Voice Editor for CJASN and will be presenting along with **Christine Laine, MD, MPH, FACP**, *Editor-in-Chief, Annals of Internal Medicine Senior Vice President, American College of Physicians* and **Bill Silberg**, *Director of Communications, Patient-Centered Outcomes Research Institute (PCORI)*.
