Remote Workforces

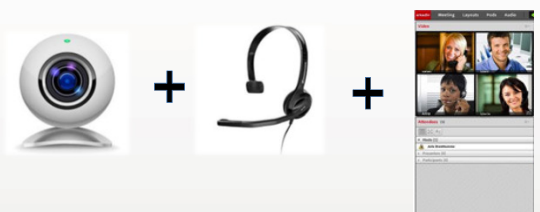

- Does my team feel disconnected?
- Am I doing enough to communicate with them and vice versa?
- Have I afforded them the same opportunities as I would if they were in the office?

Remote workforce considerations

Pros	Cons
<ul style="list-style-type: none">• Effective time zone coverage• "Local" representation around the globe• Wider availability of resources• Environmental benefits	<ul style="list-style-type: none">• Disconnection from the big picture• No "water cooler" moments• Communications issues• Challenges with team building and team dynamics
