eJournalPress**

Anna Jester is Vice President of Sales & Marketing at eJournalPress. Working for a software company providing highly customizable manuscript submission and peer review, production tracking, and billing systems leads to many fascinating conversations, generally including multiple acronyms or terms like Read & Publish. Anna enjoys dialogue about functionality and workflows, providing demonstrations and presentations, and attending industry meetings (even virtually). She volunteers as a member of the Society for Scholarly Publishing (SSP) Membership Committee, served multiple years as a member of the International Society of Managing and Technical Editors (ISMTE) Poster Committee, currently serves as a member of the ISMTE Annual Meeting Planning Committee, is a Past President of the Council of Science Editors (CSE), and serves on the *Science Editor* Editorial Board.
