Membership Categories

Worldwide Regular Membership

Any individual interested in the purposes of the Council, as stated in these Bylaws, shall be eligible for regular membership. Upon receipt of application and payment of dues, members qualify to vote and hold office.

Group Membership

Any organization, publication, or society interested in supporting the purposes and mission of the Council is eligible for group membership. Upon receipt of application and payment of dues, all individual members of the member group qualify to vote, hold office, and serve on committees.

Levels of Group Membership:

- Council Contributor - includes up to 5 members
Council Supporter - includes up to 15 members

Emeritus Membership

Emeritus-level membership shall be available to any member aged 65 years or older, and will include all the benefits of full membership. Dues for emeritus members will equal one-half the dues of full membership. Members who cannot afford the reduced membership fee may petition the Board of Directors for lenience. Board decisions will be made on a case-by-case basis.

Digital Associate

Digital Associate membership provides online-only access to Science Editor, member discount on webinar registration, access to online resources, and ability to serve on committees and vote. Digital Associate membership does not provide discounts to the annual meeting or short courses. U.S. residents are ineligible for this membership.

Worldwide Student Membership - New Rate and Benefits

Any full-time student in an accredited college or university shall be eligible for Student Membership.

Online-only access to Science Editor*. Two free webinars annually. Student members are not eligible to hold office.

Developing Country Membership

Any individual who resides in a developing country, as defined by inclusion in HINARI Band 1 or 2, is eligible for a Developing Country Membership. Upon receipt of application and payment of dues, members qualify to vote and hold office.

Please see the reverse side to submit your payment information.
