

Window on The Mack Printing Group

This year CBE Annual Meeting registrants have a choice of Windows tours, a tour either of the *Annals of Internal Medicine* journal office (see *CBE Views* 20(1):34) or of The Mack Printing Group. The Windows tour of The Mack Printing Group, Science Press Division, will take you from Philadelphia to Lancaster Co., Ephrata, Pennsylvania. This narrated tour includes all the services provided by the firm, including redactory, typesetting, prepress, digital scanning, plate-making and printing operations, bindery, distribution center, and management services. New equipment on the tour includes a Creo Com-

puter to Plate device.

Buses will depart for Ephrata at 1:00 PM and return to Philadelphia by 6:00 PM. Box lunches will be served on the bus for the trip to the plant. On the return trip The Mack Printing Group will sponsor a wine tasting from the local Mt Hope Winery, where wine and cheese will be served.

Sign up as part of the annual meeting registration. The registration fee of \$25 for this Windows tour covers transportation and lunch. Please contact Paul Bozuwa (pboze@aol.com) for any further questions about Windows tours.
