

Highlights of the CBE Board Meeting

CBE's Board of Directors met by teleconference on 1 March 1999. Here are highlights of the meeting:

The Finance Committee reported to the board that CBE ended 1998 in the black.

This is the first time in a while that CBE has finished the year with a positive cash flow without dipping into investments. As a result, the board voted to move the interest from the short-term fund to the long-term investment fund. (See report on p 133.)

Under the leadership of Vice President Blaire Mossman, a Bylaws Task Force has recommended a revised format and updating of the CBE Bylaws. The board reviewed the revision, which will be sent to the membership for consideration.
