

News About Members

Lois Ann Colaianni retired in December from the National Library of Medicine (NLM), where she had been associate director for library operations since 1984. In September she received the NLM Director's Award "for exceptional leadership and innovative contributions to the Library's programs and services". She can be reached at 9527 Stoakes Avenue, Downey, CA 90240.

The Board of Editors in the Life Sciences (BELS) honored Norman Grossblatt in May with a dinner during the CBE meeting in Montreal. Grossblatt, senior editor at the National Academy of Sciences and valued contributor to CBE Views, was the guiding force behind the founding of BELS and directed the organization from its incep-

tion in 1991 until earlier this year. Barbara (Bobbie) Reitt, of Reitt Editing Services, succeeds him as president.
