

◆ Davidoff, Meyers, Utiger Receive Distinguished Service Awards

Frank Davidoff, Barbara Meyers, and Robert Utiger received Distinguished Service Awards at the 2001 annual meeting.

Davidoff, editor (now editor emeritus) of *Annals of Internal Medicine*, was recognized for his leadership of the Authorship Task Force. He has been a Council member since

Frank Davidoff

1995.

Meyers was honored for her superlative service to the Council as president and past president. A Council member since 1982, she is president of Meyers Consulting Services.

Barbara Meyers

Utiger was recognized for his exemplary service to the Board and to the Short Course for Journal Editors. Utiger, a clinical professor of medicine at Harvard Medical School, is editor-in-chief of *Clinical Thyroidology* and previously was a deputy editor of the *New England Journal of Medicine*. He has been a Council member since 1983.
