

Neistadt and Nadziejka: Science Editor's New Publication Managers

Science Editor is delighted to welcome Leslie E Neistadt and David E Nadziejka as its new publication managers. They succeed Jane C Wiggs, who was publication manager from 2003 through 2006.

Neistadt, a CSE member since 1995, is managing editor of the *Journal of Athletic Training* and a medical writer and editor at the Hughston Sports Medicine Foundation, Columbus, Georgia. In addition, she has been registrar of the Board of Editors in the Life Sciences since 2001 and a member of its Certification Examination Development Committee since 2000. Neistadt also serves in a number of mentorship roles. She has contributed several annual-meeting reports to *Science Editor*

over the years.

Nadziejka is science editor, Van Andel Research Institute, Grand Rapids, Michigan. He also has been editorial manager, W E Upjohn Institute; lead technical editor, Argonne National Laboratory; and technical editor and faculty member, The Institute of Paper Chemistry. A CSE member since 1988, he served on the Style Manual Committee from 1990 to 1994. He also has contributed to *Science Editor* and its predecessor,

Leslie E Neistadt

CBE Views. He is a fellow of the Society for Technical Communication.

Neistadt and Nadziejka recently served as deputy publication managers under Wiggs, whose contributions were recognized at the May 2006 *Science Editor* board meeting. "Jane's hard work, good counsel, and keen editorial eye are much appreciated", says Barbara Gastel, editor of *Science Editor*. "I feel fortunate to welcome such worthy successors." 🍷
